

Limited Supply!

The Cruisin' Tigers GTO Club, Inc. is proud to offer a 2008 Illinois Special event automobile license plate commemorating our 18th Annual Indian Uprising All Pontiac Weekend. This great looking 3-color (red logo, blue & red Pontiacs & black text) plate design was produced for us by Eric White of White House Graphics.

Funds generated by the sale of these plates, along with other fund raising activities, will benefit our selected show charity. We are requesting a **minimum donation of \$40.00** for a pair of these very special plates - a larger donation would be greatly appreciated.

Special Event plates may be displayed on passenger vehicles, b-trucks, motorcycles, and antique automobiles. Vehicles displaying these plates must be registered in the State of Illinois and the owner **MUST** keep the regular vehicle license plates and registration ID card in the vehicle at all times.

The plates will be sent out directly to you from the state as early as 90 days prior to our show. They will expire the day of our show, July 26th, 2008 unless you have antique plates for your vehicle in which case you can use them the entire year (antique plates must be in the vehicle at all times). **Only 100 pairs are being made available – don't miss out on getting a set. They will surely sell out fast!**

To place your order you **must provide** all that is requested below.

(1.) Write a check payable to The Cruisin' Tigers GTO Club for a minimum of \$40.00 (something extra would be very much appreciated).

(2.) Supply a copy of your current Illinois vehicle registration ID card which must include the current Illinois license plate number of the vehicle you intend to mount the plate on. Also included must be your full legal name, current mailing address (street, city and zip code) plus make, model and vehicle year.

(3.) Please fill out all the info below with your current valid Illinois driver's license number (which must match the information on your registration ID card), and a phone number so you can be reached if questions come up. *Please note: Orders can not be placed with without ALL of the requested information above.*
